

## Birth Year and Season Matrix

When determining the age group for a season, the year the season ends should be used for determining the birth year. Also note that the format “U followed by age” really means that age and younger. For example, U8 should be read as 8 and younger. Please note The Club has the right to adjust the divisions based on number of players that register, Also note that for certain ages D3 and D2 could travel in the fall if not enough teams are formed. D1 teams will be traveling for games during season.
