

Breaker Families,

We are quickly approaching the start of our Recreational Skills Sessions. Thank you for registering your player!

As we are still under Covid-19 restrictions, the following rules will be in place:

- All players must wear a mask from the car to the check-in locations.
- All players will have their temperature checked prior to entering the field.
- All players must be registered by **noon** on Friday, September 11th. No on-field registration will be allowed.
- All players **must** have a completed "Return to Play" online waiver form.
 - The form can be found [here](https://oceansidebreakers.org/return-to-play-cal-south-city-oside-waiver-form/) and must be completed online by the registration cutoff above. <https://oceansidebreakers.org/return-to-play-cal-south-city-oside-waiver-form/>

Players should wear the following:

- Soccer Shorts
- T-Shirt (Breakers scrimmage jerseys will be provided for each player)
- Soccer Cleats (recommended, not mandatory)
- Shin Guards & Soccer Socks (recommended, not mandatory. However, if we are allowed to transition to game-type play, shin guards will be mandatory)

Please bring an appropriately sized ball- we will have soccer balls for players to use if necessary. These soccer balls will be sanitized after each session and placed in quarantine for at least 72 hours. See ball sizes by age below.

Players should bring their own water containers as sharing water is prohibited.

Facemasks are required for all persons, except for the players while on the field.

Parents and guardians will not be allowed on the fields at any time and will be asked to keep proper social distance from other parents. There is plenty of observation space along the walkway between the parking lot and the fields.

The playground at the park has been closed by the city and is not available for use.

Please do not arrive more than 15 minutes prior to your session, also, please depart the fields as soon as your session is over to minimize contact as players and parents arrive and depart.

Players who wish to be placed in a group with a friend must check in together,

Please note that the session times have changed:
